Well 2018 is here and we hope that everyone had a great Christmas and New Year Holiday!!!

Everyone here at St. Joseph Early Learning Center would like to say thank you to everyone for the gifts and treats that were sent. We all love caring for all of the children here at the Early Learning Center, they are all great children and we feel very blessed to be a part of their lives.

We also want to thank the Martinsburg Poker Club for donating a new 32 inch smart T.V. to the Early Learning Center. That was very thoughtful and the children are going to really enjoy it.

We want to say thank you to all the parents that helped out at our Christmas party. Everyone had a great time.

The classrooms are getting back into the routine after doing fun things for Christmas. We have been working on the portfolios for each child upstairs so if you ever want to take a look and see what is inside just let their teacher know and they will show you.

Remember that we have the auto pay option; if this is something your family would be interested in please let us know.
