

# July Newsletter

The weather has been great and everyone is really enjoying getting to go outside more.

We will be closed on the Fourth of July. We hope that everyone has a great and safe holiday.

Thank you to everyone that helped with the bake sale by making baked goods and by coming to the bake sale and buying things. We really do appreciate everything that you do and the support that you all show for the Early Learning Center.

We will be taking our field trip to the Vandalia swimming pool on July 21st. I have already sent out the permission slips but if you need another one just let me know. Please return them by the date on the slip.

We are also starting our water days the first week of July. We are doing them on Fridays this year. Please bring your child/children swimming clothes as well as a towel to dry off on.

Remember we have the auto pay option, this makes payments much easier.
