

June Newsletter

The children all love the fact that the weather is getting better because we are getting to go outside more. There are some days that we go outside in the mornings and then stay outside and do circle time. We want to let everyone know ahead of time that in the month of July we are going to have water days one day a week. This is a day that the children get to go outside and play in the water and the sprinklers.

First we want to say BIG THANK YOU's to a few people for all that they have done. First we want to thank Jim & Brenda Hale for donating two brand new tricycles to us the kids absolutely LOVE them. Second we want to thank Donna Fennewald for donating a brand new tricycle to us the kids absolutely love it as well and third we want to say thank you to Mandy Cope and her family for donating a hog and the processing for us.

Our annual bake sale is coming up on June 2nd from 8 am to noon at the pavilion behind the Early Learning Center. I want to thank everyone in advance that is baking delicious baked items for the sale and to everyone that comes and buys something from the sale. We really do appreciate all the support that each and every one of you give to the Early Learning Center.

We have changed the date of the zoo trip again this year from June to September. It is always so hot in June when we go so we took a vote with the parents and almost all of them said to do September. Hopefully it will not be too hot (like last year) or too cold in September and everyone can enjoy the zoo a little more.

We are having donuts with dad on June 14th from 7-8 a.m. to celebrate Father's Day. Please come and join us if you can.

Also, if you are planning on taking vacation this year please bring the dates to us on a piece of paper or email the day care at stjoelc@windstream.net. This is very helpful for the staff.

Do not forget that we have the auto payments for your child care. It is an easy way to make sure your child care is paid on time and it also saves money on not buying checks.

June Birthday's

Chase and Emmersyn will be 5 on the 1st

Farrah will be 3 on the 14th

Gabriella will be 2 on the 22nd

Bennett will be 2 on the 28th
